

Please use the form on the other side and give to Dick Emerick.

We need the following information:

Date of work being completed,

Trail number worked on (we can only turn in funded trail work). If you don't know if the trail is funded or not, contact Dick Emerick 715 362 7964.

Total time worked by worker. (from your home back to home)

Times using transportation (truck, wheeler, snowmobile), time using tools with motor (chainsaw, motorized extension saw, post hole digger). Total time must be greater than the combined total of transportation time and tool time. Round all times to the nearest $\frac{1}{2}$ hr.

What activities were being completed: trail brushing, trail signing, trail inspection, bridge maintenance.

Name of worker
