Trail News:

Still working on Trails, pics below are the reroute from the H47 to corridor 12. Musson's will be working on the Limberlost reroute – starting soon.

As a reminder, any brushing, grooming and or trail work on funded trails – Please get your time sheet into Dick Emerick.

The river is freezing up and there is 3-4" of ice in Jim Jungers bay.
Info signs should all be done and at the clubhouse by weekend. TINS signs are now here and can be picked up at clubhouse. A letter will go out trail all trail bosses as soon as info signs are ready.

We will be looking for club support from the members to go out and pack/inspect trails when conditions warrant. There will be communication sent out when this is needed. Members should pack the entire trail width, watch for closed gates, signage issues and brushing issues.

Groomers:

Machines are getting serviced and will be ready for snow.

Pine Lake Groomer almost finished. Again, a huge thanks to T&M Towing and Recovery for all of the work they have done for us. (<https://www.facebook.com/pg/TM-Towing-and-Recovery-100358744891276/about/>)

Coming Events/Meetings/Fundraisers:

- The December Club Meeting will still be held; however, it will be held at the groomer barn. This will be a regular club meeting and the Christmas party will be cancelled due to the pandemic. Scheduled for December 15th, 6:30 PM

Map Ads:

- 2020-2021 Maps will be available at the December meeting.
