April 21, 2026, Meeting Summary:

We would like to thank all our club members who went above and beyond to make the 2025-26 snowmobile season a success! Your time, talents and energy do not go unnoticed and is much appreciated by the trail riders. Thank you for your dedication!

As the season has ended and we head into summer, there is still some work to do. As the trails are closed, signage needs to be removed. The Pelican River bridge project continues to move forward (slowly), as bridge construction bids have been received, but over the grant amount. The county has requested additional funds from the Governor's Snowmobile Council and will keep the club informed. The equipment and groomer barn are in good shape, other than some routine maintenance and roof repairs.

Elections were held for the President, Treasurer and one board member position currently held by Scott Hetland.

Jim Jungers informed Todd that he was not seeking re-election for the President position. Todd Payne was nominated and elected President, leaving a vacancy for the Vice-President.

Tanya Tischendorf was nominated and elected Treasurer for her second term.

Scott Hetland and Rick Sweo were nominated for the board member position. After the member vote, Scott was elected to another term as a board member.

With the Vice President position vacant, nominations for Dana Wincentsen and John Kisting were accepted. After the member vote, John was elected to serve the remaining term (one year) as Vice-President. Congratulations to our new and existing officers and board members.
