### December 17, 2025 Meeting Summary:

In regards to our trails:

If you see any signs that need repair or are missing, please take a picture and contact the appropriate trail boss or Jim Jungers for assistance.

More trail boss volunteers are needed to help divide the many miles of trail HST maintains.

Oneida County trails officially opened on Friday, December 19, 2025.

All Land Use Agreements have been signed and updated.

Please note: Membership renewals are not processed immediately. They are currently processed once a week (will be less once snow conditions improve). Once the application is processed in our system and with the AWSC, you will receive an email letting you know your membership has been processed, and you then can purchase your trail passes through AWSC. You will also receive an email confirmation from the AWSC as long as you have provided your email address. Yellow membership cards will NO LONGER be mailed to members. You can download and print your membership card from the AWSC once your membership has been renewed for the season. Current club membership rates are \$35 for a single membership and \$45 for a family. If you have any questions in regards to your membership, contact Tanya.
