February 17, 2026 Meeting Summary:

We are looking for a trail boss from trail H-4 from Thunder Lake to Menominee Drive. We have volunteers to take over Jerry Baker's trail sections. THANK YOU!

County maps are in and responsible parties have been notified to take some to our pit stops and include them in our club map boxes.

We are still looking for a youth representative from Oneida County for AWSC KAOS (Kids and Adults on Sleds) Youth Program. The program gives youth an in-depth understanding of how the overall snowmobile program is organized, starting from the local clubs up to and including Internationally. Secondly, KAOS is considered a leadership training program for young snowmobilers. As dedicated volunteers are getting older, our goal is to train the younger members to take over leadership roles in order to keep our organizations as strong as they are today. If you know of any youth that would be interested, please contact Scott.

The club ride is scheduled for February 14, 2026 was canceled due to warm weather. John & Chris Kisting are planning to organize another one weather permitting. If you are interested in joining the ride, have a route or a meeting place in mind, please call or email Chris.

Scott applied and received a grant from Ride with the Cup. These funds are for clubs to use for their snowmobile safety courses. A representative will attend an upcoming meeting to present a check to our club. Thanks Scott!

REMINDER: Upcoming officer elections for President, Treasurer and one Board Member position (Scott Hetland). Nominations will be received at our next meeting with voting to be held at the April meeting.
