March 8, 2024

Dear Landowner and Friend of Hodag Sno-Trails:

We are extremely sorry to have to inform you that the Board of Directors and members of Hodag Sno-Trails had to make the very difficult decision not to hold the Annual Landowners Appreciation Party.

The 2023-2024 winter season will surely go down in our local history books as “the winter that wasn’t.” As you are likely aware, much of the Northwoods was plagued with both lack of snow and unseasonably warm weather and many Counties were unable to open the snowmobile trails; Oneida County included.

The hurt to our local economy, and to all our local snowmobile clubs cannot yet be measured, but we are all sure to feel this pinch for a while to come.

We remain extremely thankful for the continued use of your property for the snowmobile trails and for your support of the Hodag Sno-Trails organization.

Thank you for your understanding; let’s all hope that next season brings back the snow that we all have come to love and enjoy here in the Northwoods.
