LARRY DORICH TRAIL - 2019
 Thank You Larry and the Land Owners for 45 years of the McNaughton Trail

WELCOME TO HODAG SNO TRAILS

The Larry Dorich Trail
 When Larry Dorich joined Hodag Sno-Trails in the early 1970's, snowmobile trails were little more than narrow pathways through the woods. If they were groomed at all it was with makeshift drags that were pulled behind snowmobiles. Signage along trails did not exist except for a few homemade signs that did little to help anyone arrive at their chosen destination. Larry Dorich, a man of vision & determination, is largely responsible for many of the trails that all of us enjoy today. For nearly 50 years Larry has been a major player in all aspects of club operations. He served as club president for several terms & also took care of much of the clubs clerical needs. His work on trail development & trail maintenance is unsurpassed. He groomed trails many nights each week & he still found time to do equipment repairs & maintenance during the day. No matter what challenges arose, Larry always found a way for the trail to continue on. It is because of his commitment to our club for the last 5 decades, that in 2019 the members of Hodag Sno-Trails chose to dedicate a section of trail in honor of Larry & all that he has done. The trail that bears his name is a signature piece of Larry's work but it only reflects a small part of what he has given us over the years. Because just saying thank you is not enough, Hodag Sno-Trails is proud to dedicate this trail in honor of the man who has done so much for so long!

In Memory of Lawrence William Dorich 1934 - 2024
