## **Trail News:**

Bear Trail, we have a 1-year extension. We still need to work on a re-route for the upcoming years as this will be the last year that we will have permission to utilize

Diehl property re-route is completed. We have received the approval from the governor's council for the 2-3-year permanent re-route.

Town re-route is good. The ordinance was changed so we no longer need to ask for permission every year.

Club trail in Pine Lake is still being worked on by Spenser's Den

Swamp matts were purchased from Musson's to utilize for the trail bed development. These will be stored at the groomer barn

## **Groomers:**

Tractor still has brusher on it. Will need to be switched for grooming

2013 Piston Bully is done and will be returned next week. When this is returned, they will pick up the 2016 for maintenance and fluid changes.

### **Snow News/Misc.:**

The AWSC Fall Conference is this weekend. Julia Gray - Oneida County Youth Representative - KAOS member - (Hodag Sno-Trails, Scott Hetland and his granddaughter) will be attending.

The KAOS group is sponsoring a non-perishable food drive at the event. If anyone would like to bring a non-perishable food item to the meeting tomorrow for donation to the KAOS (Kids and Adults on Snow) for the event, it would be greatly appreciated. Please contact Scott to make arrangements if you are unable to attend the meeting and would like to still donate.

**Please feel free to share anything you would like to see in the newsletter.  
Pictures, experiences on the trails, family rides, etc. We would love to hear from you!**
